SFCA News Updates (Last update 05-18-08)

Fourth email update

CORRECTION

Members...I have a correction to make...one of our members noticed a mistake in the last broadcast and I have to issue a correction.

Just in case you were wondering, I found it to be on a Monday (in 2007)...I found a great calendar that wasn't being used (lurking in our den) and I quickly grabbed it and pinned it up in my computer room. It had all the Louisiana Waders (wetland birds) in full color...it was fantastic. Until you clued me in, I thought I had a real prize and was crushed to find out I needed to take it down and put the blah-calendar back up. Oh well, sorry about posting the wrong day for June 11, 2008. I'll bet I am the only one that does stuff like that. My strength is in technology, web pages and computing as well as appreciating a beautiful bird calendar. They say time stands still in the computer room and in this case it was so true.

Sherwood Forest Citizens Association has set up a **Neighborhood Watch** program to be presented by the East Baton Rouge Sheriffs Dept. and the Baton Rouge City Police Dept. It will be held at the **St. Thomas More Church Activity Center** on (Wednesday evening) June 11th at 7:00 PM. We are in the process of mailing mid year dues notices. In the mail-out we will insert a flyer with the above announcement. Come join us and see what the authorities on security have to offer and what plans we have for our neighborhoods.

St. Thomas More Church Activity Center faces Dartmoor, has parking lot in front of it, and is the newer large building in the middle of the block on Dartmoor.

The notice can also be found (link on the main page) and printed from our website in case you would like to have it before the mailing gets to you. <http://www.sfcabr.org/>

Dallas Ballmer, Webmaster and VP SFCA

June 11 is a Wed not a Monday
