SFCA News Updates (Last update 05-18-08)

Fourth email update

Sherwood Forest Citizens Association has set up a **Neighborhood Watch** program to be presented by the East Baton Rouge Sheriffs Dept. and the Baton Rouge City Police Dept. It will be held at the **St. Thomas More Church Activity Center** on (Monday evening) June 11th at 7:00 PM. We are in the process of mailing mid year dues notices. In the mail-out we will insert a flyer with the above announcement. Come join us and see what the authorities on security have to offer and what plans we have for our neighborhoods.

St. Thomas More Church Activity Center faces Dartmoor, has parking lot in front of it, and is the newer large building in the middle of the block on Dartmoor.

We have helped two of our homeowners with SSO (Sanitary System Overflow) issues by getting them in touch with Mike Walker's office. If you know of someone that is having problems with their sewage system overflowing or backing up into their home when it rains hard, please let them know about the "Liberty Pump" work around. If you qualify, the city will install this system at no charge, allowing the bathrooms in your home to flush freely.

Call Mike Walker's office and talk to Zona Pickens (Legislative Assistant to District 8) to discuss your particular issue. If you are in District 11 call David Boneno's office (10620 Cypress Vine Avenue -- Baton Rouge, LA 70809 -- 293-2227 (home) -- david@davidboneno.com -- www.davidboneno.com).

If you have an **issue for the city to resolve** (from street lights to people breaking city ordinances) you can report any issue or make any city related request by **dialing 311** (for a real person) or get detailed by filing a [Citizens Request For Service](#) on-line.

[Code of Ordinances City of Baton Rouge](#), Louisiana on-line and searchable...just type in your keyword (word of interest...parking) and it will return ordinances dealing with your subject.

[Unified Development Code Online](#) is also searchable and is one of my favorite tools to find codes we are bound to live by in Baton Rouge

Zoning and Restrictions Sherwood Forest is largely zoned A1 except for parts of a few filings. Visit the [Baton Rouge Government - Online Maps Web Page](#) to search for your address and get zoning, yard requirements, land use data by clicking the Details link. If you have a question about zoning restrictions, we may be able to help. Give us a call at 273-1353 or send e-mails to sfcaweb@cox.net .

This summary of zoning regulations, subdivision restrictions, and selected ordinances of interest to Sherwood Forest residents is presented for general guidance only. Sherwood Forest has been developed through over [30 filings](#), each with its own set of restrictions. The information below is typical for all filings, but is not specific to any particular filing and is not a complete list of restrictions for any one filing. For accurate and complete information, refer to restrictions for the filing of interest. Check [our list of deed restrictions](#) to see if one of them is yours.
